Additional Services

The **Insured** may also choose to consider the following services which are totally independent of and are not part of this Policy:

1. Know Before You Go

In association with the 'Know Before **You** Go' Campaign, **We** are working with the Foreign, Commonwealth & Development Office (FCDO) to help travellers stay safe overseas.

Before the **Insured** goes overseas, they should check out the Foreign, Commonwealth & Development Office (FCDO) . It is packed with essential travel advice and tips, and up-to-date country information.

Please note: This Policy does not cover any **Trip** involving travel to areas where the FCDO has advised against 'all travel'. If the **Insured** is not sure whether there is a travel warning for their destination, please check the FCDO's website.

2. EHIC / GHIC

When traveling to a country in the European Union (EU) **You** should receive inpatient treatment in a public hospital.

You must therefore obtain a Global Health Insurance Card (GHIC) prior to travel by completing an application form via www.ghic.org.uk. This allows European citizens to benefit from the health agreements between countries in the EU. (This used to be known as EHIC / E111). A UK issued EHIC Card is also still valid and accepted until expiry and can be used in place of a GHIC Card.

If **You** are admitted to a public hospital, **You** should present **Your** GHIC / EHIC to the hospital; if **You** are unable to do so, **You** must co-operate with the medical assistance department in order to obtain one.

If **Your** GHIC / EHIC is presented to the treating doctor or hospital when receiving medical treatment within the European Union and the medical costs are reduced, the policy excess applicable under section B - Medical and other expenses will be waived.

Please note, from 1st January 2021 a UK issued EHIC or GHIC is no longer accepted in Norway, Iceland, Liechtenstein and Switzerland.
